### Instructions:

Please complete the High School Articulation Credit form and return to the GTCC Records Office. This form can be mailed in or sent via email to GTCC Records Office (records@gtcc.edu).

To receive college articulation credit, please request an official transcript from your high school be sent to GTCC which shows a final grade of A or B (80-100) in the articulated courses along with final CTE post assessment scores or 93 or higher (Note: Early Childhood Classes score of 90). Students must enroll at GTCC within two years of their high school graduation date. Once a final transcript with grades and CTE scores is received along with the High School Articulation Credit Request form, GTCC will award college credit. If you have questions, please contact the GTCC Records Office at [records@gtcc.edu](mailto:records@gtcc.edu).
