## GTCC — Trains Our Workforce

Each year, GTCC helps more than **27,000 students** build and learn skills they need to succeed in workforce and beyond. GTCC's programs generate top talent to provide vital services, improve quality of life in our community, and attract business and industry into our region.

## The GTCC Foundation — A Catalyst for Student Success

Many students need help to be able to access higher education. The GTCC Foundation provides scholarships and emergency assistance to deserving students. In addition, the GTCC Foundation gives faculty extra resources that enhance the quality of instruction and expands campus boundaries through arts and community service programming.

In just the last 10 years, more than **\$2 million** has been provided to enhance student access and success. The annual economic impact GTCC makes to our region is estimated to be more than \$528 million. Your financial support, and involvement in this tournament, is an investment that is not only worthwhile, but necessary.
