Please read before completing application

- To be admitted to a curriculum, you must be a high school graduate or have a high school equivalency (GED) certificate. If you do not want to work toward a degree, diploma or certificate, you can enroll as a special credit student.
- You must have official transcripts from your high school or GED and each post-secondary institution mailed directly to the Admissions Office. All students, including special credit/non-degree seeking students MUST provide evidence of having met all course prerequisites before being allowed to register for classes.
- Students should complete their admissions file prior to enrollment. Failure to do so may impact registration.

Instructions: Please type or print in ink. Please write legibly. Respond to all questions completely, use your legal name and return the application to the Admissions Office at the address shown above. Incomplete applications will be returned.
