

LPN-ASSOCIATE DEGREE NURSING BRIDGE

(For Current Licensed Practical Nurses only)

Summer 2026 Entry

Associate in Applied Science - 70 Credit Hours

Jamestown Campus

The LPN to Associate Degree Nursing Bridge program is designed for Licensed Practical Nurses (LPNs) to continue their education. The admission process is limited to an enrollment cap each summer term. The number of accepted students varies depending on the number of continuing students. Typically, 15-20 students are accepted each year. This packet will outline minimum criteria, program coursework, and the application/selection process. Before applying, it is recommended to review the [Technical Standards and Essential Functions](#) required for the program. Reading these standards carefully along with a realistic assessment of your own personality, interests, abilities, strengths, and weaknesses will ensure that you choose a program and career path that is a good fit for you.

Please read the contents of this packet carefully and in its entirety as some requirements are time-sensitive.

LIMITED ENTRY ADMISSION PROCESS – GTCC HEALTH SCIENCES PROGRAMS MEET PROGRAM ADMISSION REQUIREMENTS

Possess a Current, Valid, Unrestricted, and Unencumbered LPN License

You must upload a copy of your LPN License information with the program application. Visit the NC Board of Nursing License Verification Page <https://www.ncbon.com/licensure-listing-verify-a-license> to access your information.

Complete the GTCC General Admission Process (New and Returning Students)

- New and returning GTCC students must complete the GTCC general admission, including the North Carolina Residency Determination Service (RDS). To get started, visit <https://www.gtcc.edu/admissions-and-aid/apply-now.php>
 - **Returning students**= students previously admitted to GTCC and have been not enrolled in courses for more than 12 months
- Submit your official transcripts to the GTCC Admissions Office by email at transcripts@gtcc.edu. *All degrees from institutions outside of the United States require evaluation by a recognized credentialing agency to determine U.S. equivalency and transfer credit eligibility.* Once received, transcripts are evaluated by GTCC's Admissions staff. Approved transfer credits will be added to your academic record as appropriate. *(Note: it is the responsibility of the applicant to ensure that all official transcripts have been received by GTCC's Admissions Department. Please visit <https://transcripts.gtcc.edu/> to verify that your transcripts have been received).*

- **Please allow a minimum of TWO WEEKS for evaluation to occur.** This process takes longer near the beginning or end of a semester. Transfer credits from an Institutionally Accredited College or University **must** appear on your GTCC **Student Planning** transcript in order to be considered for meeting program requirements and/or earning ranking points.
- **Activate your GTCC Titan Account.** You should be able to do this within 3 to 5 business days of completing your GTCC Application.
- **Need help with this requirement?** For assistance with activating your GTCC Titan Account, you can contact Student Tech Support 1-866-826-3748, <https://www.gtcc.edu/help-center/student-tech-support.php#>.

Complete the Required Online Program Information Session by 5pm, February 6th

Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement!

This session will provide you with a detailed overview of the program, faculty and student expectations, class schedules and clinical requirements, the minimum program admission requirements, submitting your program application, and the selection and notification process for the incoming class.

- **You must have an activated Titan account to access the information session.**
- Enroll yourself in the [Limited Entry Program Information Session: LPN to ADN course](#). You must pass all three modules with a score of 100% to receive credit for completing this task and to access the program application. **Access to the session will close at 5pm on February 6th !**

Completion of the Prerequisite Courses (BIO 168, BIO 169, PSY 150, PSY 241) with a “C” or higher

These courses must be reflected on your unofficial transcript in Student Planning.

- BIO courses must be completed 2016 or later.

Complete the ATI TEAS Exam and Achieve a Minimum Composite Score of 66

You may schedule your ATI TEAS through the GTCC Assessment Center or an ATI-approved testing center. **Your ATI TEAS exam scores must be VERSION 7 from 2024 or later.**

To schedule an exam with the GTCC Assessment Center, visit <https://www2.registerblast.com/gtcc/Exam/List>.

- For questions related to scheduling the exam at GTCC, please contact the Assessment Center (testingcenter@gtcc.edu or 336-334-4822, ext. 50574).
- For more information about the exam, study materials, and other testing locations, visit www.atitesting.com.
- **NOTE: Do not send exam scores to GTCC. You will be required to upload a copy of your score to your program application**

SUBMITTING YOUR PROGRAM APPLICATION

Program Applications will be accepted January 12, 2026, through 5pm on February 13, 2026.

Once you have completed all of the minimum admission requirements, it's time to submit your program application. This will be completed electronically through the *Limited Entry Program Information Session: LPN to ADN* course in Canvas. Once you have completed all three modules with a score of 100%, the link for the application can be accessed starting January 12, 2026.

- Only one submission will be permitted for each applicant
- You will be required to upload a copy of your LPN license
- You will be required to upload a copy of your ATI TEAS score; must include the applicant's name, date of exam, total score, and Version 7 from 2024 or later
- If applicable, you will upload documentation of other ranking criteria
- **It is critical that you check your Student Planning transcript to make sure all coursework is accounted for, including transfer credits. Ranking points will only be given for courses that are on record. It is your responsibility to ensure all official transcripts have been submitted to Admissions and processed for transfer credits.**
- Incomplete applications will not be moved forward to the Selection Committee
- **Applications will not be reviewed by the Limited Entry Programs Office until after the February 13th deadline. It is important to make sure all requirements are met BEFORE submitting your application.**

PROGRAM APPLICANT SELECTION AND NOTIFICATION PROCESS

Ranking and Selection Process

Approximately three to four weeks following the February 13th deadline, all application submissions will be screened by the Limited Entry Programs Office to confirm all minimum criteria have been met. All applicants will be notified via GTCC email if their submission is moved forward to the Selection Committee for the final ranking review.

The next 2-3 weeks following the initial screening, the Health Sciences Review Committee (comprised of Health Sciences Program Directors and faculty, Dean of Health Sciences, and Limited Entry Programs Office Staff) will review all eligible applications.

Applicants are ranked using a points system and will be selected based on the total points earned (see below). Ties will be decided based on the following criteria: 1) The total points earned in the “General Education Courses” ranking section; 2) The ATI TEAS composite score; and 3) The date of the Limited Entry Program Application for the program of interest.

Notification Process

Results will be sent electronically to the applicant’s GTCC email address **approximately** 6 weeks after the application deadline – it is the applicant’s responsibility to check this email account frequently to avoid missing important communications from GTCC!

- **Applicants offered a seat must accept or decline a program seat by submitting an Intent to Enroll Form within 4 calendars days of the date on the acceptance letter.** Failure to respond within the stated timeframe will result in the seat being offered to an alternate. Once a student declines a program seat, the decision may not be reversed.
- **Applicants have 7 business days from the date on the notification letter to contest the results of the selection process.** The request for review of the results must be submitted in writing to the Associate Vice President of Instruction (Dr. Jeremy Bennett - jdbennett5@gtcc.edu). The Associate Vice President of Instruction will render a decision within 7-10 business days of receipt of the written request. **The Associate Vice President of Instruction’s decision is final.**

PROGRAM ORIENTATION, ADVISING/REGISTRATION, AND ENROLLMENT

Once a seat in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program; an alternate student will be selected to fill the vacant seat, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry.

The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.

Important Notes to Health Science Program Applicants

Program faculty reserves the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, students agree to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the student may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of "D" in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of "D" in a general education course will not transfer to another institution, nor will GTCC accept a grade of "D" for credit from another institution. Students must achieve a "C" or better in BIO, CHM, and program major courses. Students who do not achieve a "C" or better in these courses will be suspended from the program.
