LIMITED ENTRY ADMISSION PROCESS – GTCC HEALTH SCIENCES PROGRAMS

1. COMPLETE THE GTCC ADMISSION PROCESS

- **New and former GTCC students must complete the GTCC admission or readmission process, including the North Carolina Residency Determination Service (RDS) process.** To get started, visit <https://www.gtcc.edu/admissions-and-aid/apply-now.php>
- **Submit your official transcripts.** Once received, transcripts are evaluated by GTCC's Enrollment Services staff. Approved transfer credits will be added to your academic record as appropriate.
 - ✓ Please allow a minimum of TWO WEEKS for evaluation to occur! This process takes longer near the beginning or end of a semester. Transfer credits from regionally-accredited colleges/universities must appear on your GTCC WebAdvisor transcript in order to be considered for meeting minimum program requirements or earning ranking points!
- **Check the status of your admission process** by visiting <https://applicationstatus.gtcc.edu> and <https://transcripts.gtcc.edu>.
- **Activate your GTCC Titan Account.** You should be able to do this within 48 hours of completing your GTCC Application. If you have difficulty activating your account, please visit <https://myaccount.gtcc.edu/PasswordReset> to complete the activation process.

Have Questions? Need Help?

- ✓ **Completing the GTCC admission process (*application for admission, NC residence determination*):**
Please contact GTCC's Admissions Office at (336) 334-4822, ext. 31125, or send an email to: admissions@gtcc.edu.
- ✓ **Submitting your transcripts:** Contact the Records and Transcripts Office at (336) 334-4822, ext. 50354 or 50161, or send an email to transcripts@gtcc.edu.

2. COMPLETE THE REQUIRED ONLINE PROGRAM INFORMATION SESSION BY FEBRUARY 28, 2021

- **Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement!** This session will provide you with a detailed overview of the curriculum, the minimum program admission requirements, faculty expectations and discussion of class schedules and clinical requirements, preparing and submitting your *Health Programs Application packet*, and the selection and notification process for the incoming class. **If you plan to take the ATI TEAS at GTCC, please do not schedule a test date that falls before the date you plan to complete this session!**
- **Make sure to activate your Titan Account so you can complete this required session as soon as possible!**
- The direct link to the session is:
<https://online.gtcc.edu/course/view.php?id=35937>. You may also access it by logging into Moodle at <https://online.gtcc.edu/>, and searching for "Health Programs Information Sessions".
- Enroll yourself in this course and complete the **Fall 2021 Entry – Dental Hygiene module and quiz**. You must pass the quiz with a score of 100% to receive credit for completing this task. Access to the quiz will be removed at 11:55pm on February 28, 2021!

3. COMPLETE ALL OF THE FOLLOWING PROGRAM ADMISSION REQUIREMENTS

- **Demonstrate English and Mathematics “college readiness”.** You must be able to demonstrate that you have achieved the appropriate levels in BOTH of these areas by ONE of the following methods:

COLLEGE ENGLISH READINESS	COLLEGE MATHEMATICS READINESS
☐ You have an earned Associate or Bachelor’s degree from a regionally-accredited institution. ☐ You have completed or received transfer credit for ENG 111 (grade of “C” or better). ☐ You have completed or received waiver credit for ENG 002 with a grade of <u>P2 (tier two)</u> . ☐ You have completed or received waiver credit for ENG 011. ☐ You don’t have any college-level ENG credit, but you are eligible to enroll in ENG 111 <u>without the ENG 011 co-requisite</u> , demonstrated by one of the following: - o Graduate of a US high school within the last 10 years, with a minimum 2.8 GPA; - o Completion of ENG/RED placement test within the past 10 years and achievement of appropriate scores. <i>If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions!</i>	☐ You have an earned Associate or Bachelor’s degree from a regionally-accredited institution. ☐ You have completed or received transfer credit for <u>one</u> of the following with a grade of “C” or better -- MAT 143, MAT 152, MAT 171 (or a higher-level math). ☐ You have completed or received waiver credit for MAT 003 with a minimum grade of <u>P2 (tier two)</u> . ☐ You have completed or received waiver credit for <u>one</u> of the following: MAT 043, MAT 052, or MAT 071. ☐ You don’t have any college-level MAT credit, but you are eligible to enroll in MAT 143 or higher <u>without the corresponding MAT co-requisite</u> , demonstrated by one of the following: - o Graduate of a US high school within the last 10 years, with a minimum 2.8 GPA; - o Completion of MAT placement test within the past 10 years and achievement of appropriate scores. <i>If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions!</i>
<i>If you are unsure whether you meet either of these requirements, it is YOUR responsibility to speak with a counselor in the GTCC Admissions Office or the Student Success Center for clarification, <u>PRIOR TO</u> submitting your Health Sciences Program Application.</i>	

- **Demonstrate Biology competency by one of the following ways:**
 - o College-level BIO/lab course with a “C” or better, completed within 10 years of program start date—(since 2011)
 - o High school-level BIO/lab course with a “C” or better, completed since the 2016-2017 school year
- **Demonstrate Chemistry competency by one of the following ways:**

 - o High school-level chemistry/lab course with a “C” or better, completed since the 2016-2017 school year
- **NEW SCORE REQUIREMENT!** Complete the ATI TEAS and achieve a minimum composite score of **66**. You may schedule your ATI TEAS test through the GTCC Assessment Center or via an ATI-approved testing center. Your ATI TEAS scores may be no older than two years from the date you submit your Health Sciences Program Application.

If you wish to take the test at GTCC, visit <https://www2.registerblast.com/gtcc/Exam/List> to schedule your test date. If you have specific questions related to scheduling your ATI TEAS at GTCC, please contact the Assessment Center at testingcenter@gtcc.edu or call them at (336) 334-4822, ext. 50574. **Please DO NOT schedule your test date before you have completed the required Program Information Session and Quiz!**

If you have already taken the ATI TEAS at GTCC or elsewhere and earned a minimum composite score of **66**, you may use this score, as long as the test is no older than two years from the date of program application. Scores from other colleges or Testing Centers will be accepted, but they must be the ATI TEAS version. Make sure to ask what version they offer before registering for your test date.

Study material may be purchased at www.atitesting.com or at the Jamestown Campus Bookstore.

4. PREPARE AND SUBMIT YOUR HEALTH SCIENCES PROGRAM APPLICATION

Now that you have completed all of the minimum program admission requirements, gather all of the required documents, attach them to the *Health Sciences Program Application*, and submit the packet one of two ways:

- ✓ **In-Person** to the Limited Entry Programs Office, located in Hassell Health Technologies Center, Room 140 on the Jamestown campus.
- ✓ **Electronically** – scan or save your documents as a PDF attachment and send them together via email to limitedentry@gtcc.edu.

Health Sciences Program Applications for this Program will be accepted by the Limited Entry Programs Office from February 22, 2021, until 5pm on March 12, 2021. Applications received after the deadline will not be accepted.

- Complete the *Health Sciences Program Application* in its entirety.
- Log on to your [GTCC](#) WebAdvisor account and select “Unofficial Transcript View” from the menu. **Verify that all transcripts have been received and evaluated for transfer credit by GTCC before attaching a copy of your WebAdvisor transcript!** The Selection Committee will only use the courses listed on this transcript to verify minimum requirements and award ranking points.
- Attach a copy of your ATI TEAS score report.
- If applicable, attach documentation of other ranking criteria.

PROGRAM APPLICANT SELECTION AND NOTIFICATION PROCESS

Ranking and Selection Process

During the next 3-4 weeks after the Program Application Deadline, the Health Sciences Review Committee, comprised of various Health Sciences Program Directors and faculty, the Dean of Health Sciences, and the Limited Entry Programs Office Staff, will review all applications submitted by the deadline.

- **Applicants are ranked using a points system, and candidates will be ranked, based on the total points earned.** Ties will be decided, based on the following system: 1) The applicant with the higher total points earned in the “General Education Courses” ranking section; 2) The applicant with the higher TEAS composite score (if applicable); and 3) The date that the GTCC Admission Application was submitted for the program of interest.

NEW! Advanced Placement (AP) Credit and award of ranking points: applicants who earned AP credit for general education courses may earn corresponding ranking points, via the following method:

AP score of 5 = grade of “A”

AP score of 4 = grade of “B”

AP score of 3 = grade of “C”

Official AP scores must have been submitted to the GTCC Admissions Office to earn AP course credit. The course credits must also appear on your GTCC WebAdvisor transcript that is submitted with your program application. Advanced Placement credits for BIO and CHM courses must have been awarded within ten years of the program’s start date (since 2011).

Notification Process

Each candidate who submits a *Health Sciences Program Application* to the Limited Entry Programs Office by 5pm on the specified deadline will be notified in writing of the results of the selection process. **Notification will be sent electronically to the applicant’s GTCC email address – it is the applicant’s responsibility to check this email account frequently to avoid missing important communications from GTCC!**

- **Students must accept or decline a program position by submitting an Intent to Enroll Form within 10 business days of the date on the acceptance letter.** Failure to respond within the stated timeframe will result in the position being offered to an alternate. Once a student declines a program position, the decision may not be reversed.
- **A student has 15 business days from the date on the notification letter to contest the results of the selection process.** The request for review of the results must be submitted in writing to the Division Dean. The Division Dean will render a decision within 10 business days of receipt of the written request. The Division Dean’s decision is final.

PROGRAM ORIENTATION, ADVISING/REGISTRATION, AND ENROLLMENT

Once a position in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program. An alternate student will be selected to fill the vacant position, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry. If applicable to the program, ranking point deductions will apply for future applications to the same program.

The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.

Important Notes to Health Science Program Applicants

Program faculty reserve the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, the students agree to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the students may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of "D" in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of "D" in a general education course will not transfer to another institution, nor will GTCC accept a grade of "D" for credit from another institution. Students must achieve a "C" or better in BIO, CHM, and program major courses. Students who do not achieve a "C" or better in these courses will be suspended from the program.

(From the Dental Programs Student Handbook) A student in the dental program is at an increased risk for exposure to a variety of diseases, among them Hepatitis C and HIV/AIDS and Tuberculosis. Because of these risks, students will be expected to follow all infection control/exposure control guidelines that have been established. For further information on these policies, contact Michelle Martin, Dental Programs Director, at 336-334-4822, ext. 50347, or via email at msmartin@gtcc.edu.
