

Esthetics Technology Certificate - Evening Program

Fall 2025 Entry ♦ Jamestown Campus

Program Applications will be accepted

**March 24, 2025— August 1, 2025, by 5pm, or until seats are filled,
whichever comes first.**

Classes begin in August 2025.

PROGRAM DESCRIPTION:

The Esthetics Technology Certificate Evening Program (C55230) curriculum provides competency-based knowledge, scientific/artistic principles and hands-on fundamentals associated with the art of skin care. The curriculum provides a simulated salon environment which enables students to develop manipulative skills.

Course work includes instruction in all phases of professional Esthetics Technology, business/human relations, product knowledge, and other related topics. Graduates should be prepared to take the North Carolina Cosmetology State Board Licensing Exam and upon passing be licensed and qualify for employment in beauty and cosmetic/skin care salons, as a platform artist, and in related businesses.

The Esthetics Technology Certificate Evening program is a limited entry program beginning in the fall semester. It is offered on the Jamestown campus in the Machinery Hall Building. **Approximately 10 students are admitted each fall semester.**

All applicants must meet the minimum admissions requirements to be considered for a space in the program and must be a High School/GED graduate. **Meeting the minimum admissions requirements does not guarantee admission to the program.**
