# LIMITED ENTRY ADMISSION PROCESS – GTCC HEALTH SCIENCES PROGRAMS

## MEET PROGRAM ADMISSION REQUIREMENTS

### Complete the GTCC General Admission Process (New and Returning Students)

- **New and returning GTCC students must complete the GTCC general admission, including the North Carolina Residency Determination Service (RDS).** To get started, visit <https://www.gtcc.edu/admissions-and-aid/apply-now.php>
  - **Returning students**= students previously admitted to GTCC and have not been enrolled in courses for more than 12 months
- **Submit your official transcripts to the GTCC Admissions Office by email at [transcripts@gtcc.edu](mailto:transcripts@gtcc.edu).** Once received, transcripts are evaluated by GTCC's Admissions staff. Approved transfer credits will be added to your academic record as appropriate. ***(Note: it is the responsibility of the applicant to ensure that all official transcripts have been received by GTCC's Admissions Department. Please visit <https://transcripts.gtcc.edu/> to verify that your transcripts have been received).***
  - **Please allow a minimum of TWO WEEKS for evaluation to occur.** This process takes longer near the beginning or end of a semester. Transfer credits from an Institutionally Accredited College or University **must** appear on your GTCC **Student Planning** transcript in order to be considered for meeting program requirements and/or earning ranking points.
- **Activate your GTCC Titan Account.** You should be able to do this within 48 hours of completing your GTCC Application.
- **Need help with this requirement?** For assistance with activating your GTCC Titan Account, you can contact Student Tech Support 1-866-826-3748, <https://www.gtcc.edu/help-center/student-tech-support.php#>.

### Complete the Required Online Program Information Session by 5pm, March 7<sup>th</sup>

**Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement!**

This session will provide you with a detailed overview of the program, faculty and student expectations, class schedules and clinical requirements, the minimum program admission requirements, submitting your program application, and the selection and notification process for the incoming class.

- **You must have an activated Titan account to access the information session.**
- Enroll yourself in the [Limited Entry Program Information Session: Dental Hygiene, AAS course](#)
- You must pass all three modules with a score of 100% to receive credit for completing this task and to access the program application. **Access to the module will close at 5pm on March 7<sup>th</sup>!**

### Demonstrate College Readiness for English AND Mathematics

You must be able to demonstrate that you have achieved the appropriate levels of college readiness in both subject areas. The chart below shows options for meeting these requirements.

| COLLEGE ENGLISH READINESS  | COLLEGE MATHEMATICS READINESS  |
|--|--|
| <p><b>Option 1:</b> You have completed or received transfer credit for ENG 111.</p> <p><input type="checkbox"/> <b>Option 2:</b> You have completed or received waiver credit for <u>all</u> of the following: DRE 096, DRE 097, DRE 098</p> <p><input type="checkbox"/> <b>Option 3:</b> You have completed or received waiver credit for ENG 002 with a minimum grade of <u>P2</u></p> <p><input type="checkbox"/> <b>Option 4:</b> You have completed or received waiver credit for ENG 011</p> <p><input type="checkbox"/> <b>Option 5:</b> An earned Associate or Bachelor’s degree from an Institutionally Accredited College or University</p> <p><input type="checkbox"/> <b>Option 6:</b> Completion of placement test within the past 10 years and achievement of appropriate scores. <u>If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions!</u></p> <p><input type="checkbox"/> <b>Option 7:</b> Graduate of a US high school within the last 10 years, with an unweighted cumulative GPA of 2.8 or higher</p> | <p><input type="checkbox"/> <b>Option 1:</b> You have completed or received transfer credit for <u>one</u> of the following -- MAT 143, MAT 152, MAT 171 (or a higher-level math).</p> <p><input type="checkbox"/> <b>Option 2:</b> You have completed or received waiver credit for <u>all</u> of the following: DMA 010, DMA 020, DMA 030, DMA 040, and DMA 050</p> <p><input type="checkbox"/> <b>Option 3:</b> You have completed or received waiver credit for MAT 003 with a minimum grade of P2</p> <p><input type="checkbox"/> <b>Option 4:</b> You have completed or received waiver credit for <u>one</u> of the following: MAT 043, MAT 052, or MAT 071</p> <p><input type="checkbox"/> <b>Option 5:</b> An earned Associate or Bachelor’s degree from an Institutionally Accredited College or University</p> <p><input type="checkbox"/> <b>Option 6:</b> Completion of placement test within the past 10 years and achievement of appropriate scores. <u>If you took the placement test elsewhere, you MUST submit those scores to GTCC Admissions!</u></p> <p><input type="checkbox"/> <b>Option 7:</b> Graduate of a US high school within the last 10 years, with an unweighted cumulative GPA of 2.8 or higher</p> |

**\*\*If you are unsure whether you meet either of these requirements, it is YOUR responsibility to speak with a Limited Entry Advisor for clarification PRIOR TO submitting your Program Application.**

### **Demonstrate Biology Competency**

Applicants can meet this requirement one of the following ways:

- College-level BIO/lab course with a “C” or better, completed within 10 years of program start date— (since 2015)
  - The course must be reflected on your transcript in **Student Planning**.
- High school-level BIO/lab course with a “C” or better, completed the 2022-2023 school year or later
  - Your high school transcript must be on file in Admissions.

### **Demonstrate Chemistry Competency**

Applicants can meet this requirement one of the following ways:

### **Complete the ATI TEAS Exam and Achieve a Minimum Composite Score of **66****

You may schedule your ATI TEAS exam through the GTCC Assessment Center or an ATI-approved testing center. **Your ATI TEAS exam scores must be *VERSION 7* only.**

To schedule an exam with the GTCC Assessment Center, visit <https://www2.registerblast.com/gtcc/Exam/List>.

- For questions related to scheduling the exam at GTCC, please contact the Assessment Center ([testingcenter@gtcc.edu](mailto:testingcenter@gtcc.edu) or (336) 334-4822, ext. 50574).
- For more information about the exam, study materials, and other testing locations, visit [www.atitesting.com](http://www.atitesting.com).
- **NOTE: Do not send exam scores to GTCC. You will be required to upload a copy of your score to the program application**

## SUBMITTING YOUR PROGRAM APPLICATION

**Program Applications will be accepted February 3, 2025 through 5pm on March 14, 2025.**

Once you have completed all of the program admission requirements, it's time to submit your program application. This will be completed electronically through the *Limited Entry Program Information Session: Dental Hygiene, AAS* course in Canvas. Once you have completed all three modules with a score of 100% the link for the application can be accessed starting February 3, 2025.

- Only one submission will be permitted for each applicant
- You will be required to upload a copy of your ATI TEAS exam score
- If applicable, you will upload documentation of other ranking criteria
- **It is critical that you check your Student Planning transcript to make sure all coursework is accounted for, including transfer credits. Ranking points will only be given for courses that are on record. It is your responsibility to ensure all official transcripts have been submitted to Admissions and processed for transfer credits.**
- Incomplete and/or ineligible program applications will not be moved forward to the Selection Committee
- **Program applications will not be reviewed by the Limited Entry Programs Office until after the March 14<sup>th</sup> deadline. It is important to make sure all requirements are met BEFORE submitting your program application.**

---

## PROGRAM APPLICANT SELECTION AND NOTIFICATION PROCESS

### Ranking and Selection Process

Two to three weeks following the March 14<sup>th</sup> deadline, all application submissions will be screened by the Limited Entry Programs Office to confirm all criteria have been met. All applicants will be notified via GTCC email if their submission is moved forward to the Selection Committee for the final ranking review.

Each applicant will be notified via GTCC email of the results of the screening and next steps:

- Program applications meeting all program admission requirements will move forward to the Selection Committee for the ranking review process.
- Applicants not meeting program admission requirements will not move forward for ranking review. Applicants will be advised on program admission requirements needed to apply for the next program entry.

The next two to three weeks following the initial screening, the Health Sciences Review Committee (comprised of Health Sciences Program Directors and faculty, Dean of Health Sciences, and Limited Entry Programs Office Staff) will review all eligible applications.

**Applicants are ranked using a points system and will be selected based on the total points earned (see below).** Ties will be decided based on the following criteria: 1) The total points earned in the "General Education Courses" ranking section; 2) The ATI TEAS composite score; and 3) The date of the Limited Entry Program Application.

### **Notification Process**

Final results will be sent electronically to the applicant’s GTCC email address **approximately** 6 weeks after the program application deadline – it is the applicant’s responsibility to check this email account frequently to avoid missing important communications from GTCC!

- **Applicants offered a seat must accept or decline a program seat by submitting an Intent to Enroll Form within 5 calendar days of the date on the acceptance letter.** Failure to respond within the stated timeframe will result in the seat being offered to an alternate. Once a student declines a program seat, the decision may not be reversed.
- **Applicants have 7 business days from the date on the notification letter to contest the results of the selection process.** The request for a review of the results must be submitted in writing to the Dean of Health Sciences, (Mr. David Frazee drfrazee@gtcc.edu). The Dean will render a decision within 7-10 business days of receipt of the written request. **The Dean’s decision is final.**

## **PROGRAM ORIENTATION, ADVISING/REGISTRATION, AND ENROLLMENT**

Once a seat in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

**The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes.** Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program. An alternate student will be selected to fill the vacant seat, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry.

*The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.*

### **Important Notes to Health Science Program Applicants**

Program faculty reserves the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, students agree to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the students may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of “D” in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of “D” in a general education course will not transfer to another institution, nor will GTCC accept a grade of “D” for credit from another institution. Students must achieve a “C” or better in BIO, CHM, and program major courses. Students who do not achieve a “C” or better in these courses will be suspended from the program.
