

## N.C. Piedmont Regionally Increasing Baccalaureate Nurses, AAS

The NCP-RIBN program is a four-year co-admission program with North Carolina A&T State University (N.C. A&T). Students will be enrolled in both GTCC and at N.C. A&T for the first three years, taking most coursework at GTCC. Students will leave GTCC with an associate degree in nursing and will complete their bachelor's degree in nursing in their fourth year at N.C. A&T.
