

MEDICAL ASSISTING

Fall 2022 Entry

Associate in Applied Science Degree - 68 Credit Hours

Jamestown Campus

The Medical Assisting program has a selective admissions process with a limited enrollment of 35 students each fall. This packet will outline minimum criteria, program coursework, and the application/selection process. Before applying, it is recommended to review the [Technical Standards and Essential Functions](#) required for the program. Reading these standards carefully along with a realistic assessment of your own personality, interests, abilities, strengths, and weaknesses will ensure that you choose a program and career path that is a good fit for you.

Please read the contents of this packet carefully and in its entirety as some requirements are time-sensitive.

PROGRAM ADMISSION REQUIREMENTS

LIMITED ENTRY ADMISSION PROCESS – GTCC HEALTH SCIENCES PROGRAMS MEET PROGRAM ADMISSION REQUIREMENTS

Complete the GTCC General Admission Process (New and Returning Students)

- New and returning GTCC students must complete the GTCC general admission, including the North Carolina Residency Determination Service (RDS). To get started, visit <https://www.gtcc.edu/admissions-and-aid/apply-now.php>
 - **Returning students**= students previously admitted to GTCC and have not been enrolled in courses for more than 12 months

- **Submit your official transcripts to the GTCC Admissions Office.** Once received, transcripts are evaluated by GTCC’s Enrollment Services staff. Approved transfer credits will be added to your academic record as appropriate.
 - **Please allow a minimum of TWO WEEKS for evaluation to occur.** This process takes longer near the beginning or end of a semester. Transfer credits from regionally-accredited colleges/universities must appear on your GTCC WebAdvisor transcript in order to be considered for meeting program requirements.
- **Activate your GTCC Titan Account.** You should be able to do this within 48 hours of completing your GTCC Application.
- **Need help with this requirement?** For assistance with any part of the general admission process, you can contact the Admissions office at 336-334-4822, ext. 31125 or email admissions@gtcc.edu.

Complete the Required Online Program Information Session by 5pm, June 10th

Information Sessions completed for previous application cycles are not acceptable for purposes of meeting this requirement!

This session will provide you with a detailed overview of the program, faculty and student expectations, class schedules and clinical requirements, the minimum program admission requirements, submitting your program application, and the selection and notification process for the incoming class.

- **You must have an activated Titan account to access the information session.**
- The direct link to the session is: <https://online.gtcc.edu/course/view.php?id=35937>. You may also access it by logging into Moodle at <https://online.gtcc.edu/> and searching for “Health Programs Information Sessions”.
- Enroll yourself in this course and complete the **Fall 2022 Medical Assisting module**. You must pass the Information session with a score of 100% to receive credit for completing this task. **Access to the module will be removed at 5pm on June 10th!**

Demonstrate College Readiness for English AND Mathematics

You must be able to demonstrate that you have achieved the appropriate levels of college readiness in both subject areas. The chart below shows options for meeting these requirements.

*****If you are unsure whether you meet either of these requirements, it is YOUR responsibility to speak with a counselor in the Admissions Office or the Student Success Center for clarification PRIOR TO submitting your Program Application.***

Demonstrate Biology Competency

This requirement can be met one of the following ways:

- College-level BIO/lab course with a “C” or better, completed within 10 years of program start date (since 2012)
 - The course must be reflected on your transcript in WebAdvisor.
- High school-level BIO/lab course with a “C” or better, completed the 2017-18 school year or later
 - Your high school transcript must be on file in Admissions.

NEW SUBMITTING YOUR PROGRAM APPLICATION

Program Applications will be accepted May 16, 2022 through 5pm on June 17, 2022.

Once you have completed all of the program admission requirements, it’s time to submit your program application. This will be completed electronically through the *Health Programs Information Sessions* course in Moodle. Once you have completed the information session with a score of 100% the link for the application can be accessed starting May 16, 2022.

- Only one submission will be permitted for each applicant
- If applicable, you will upload documentation of other ranking criteria
- **It is critical that you check your WebAdvisor transcript to make sure all coursework is accounted for, including transfer credits. Ranking points will only be given for courses that are on record. It is your responsibility to ensure all official transcripts have been submitted to Admissions and processed for transfer credits.**
- Incomplete and/or ineligible applications will not be moved forward
- **Applications will not be reviewed by the Limited Entry Programs Office until after the June 17th deadline. It is important to make sure all requirements are met BEFORE submitting your application.**

PROGRAM APPLICANT SELECTION AND NOTIFICATION PROCESS

Ranking and Selection Process

The week following the June 17th deadline, all application submissions will be screened by the Limited Entry Programs Office to confirm all minimum criteria has been met. All applicants will be notified via GTCC email if their submission will be moved forward to the Selection Committee for the final ranking review.

The next 2-3 weeks following the initial screening, the Health Sciences Review Committee (comprised of Health Sciences Program Directors and faculty, Dean of Health Sciences, and Limited Entry Programs Office Staff) will review all eligible applications.

Applicants are ranked using a points system and will be selected based on the total points earned (see below). Ties will be decided based on the following criteria: 1) The total points earned in the “General Education Courses” ranking section; 2) The GPA of the last school attended, and 3) The date of the GTCC General Admission Application for the program of interest.

CALCULATION OF POINTS FOR RANKING AND SELECTION

(NOTE: Courses that have received “Pass/Fail” or “Satisfactory/Unsatisfactory” grades will be considered equivalent to a “C”.)

GENERAL EDUCATION COURSES REQUIRED FOR THE DEGREE	Points Awarded
BIO 163 - Basic Anatomy & Physiology (completed 2012 or later)	A = 8; B = 4
ENG 111 - Writing & Inquiry	A = 4; B = 2
MAT 143 - Quantitative Literacy (a high-level MAT course may substitute)	A = 4; B = 2
PSY 150 - General Psychology	A = 4; B = 2
CIS 110 - Introduction to Computers	A = 4; B = 2

COM 231 - Public Speaking	A = 4; B = 2
Humanities/Fine Arts Elective Select ONE from: ART 111, HUM 115, HUM 120, HUM 130, or MUS 110	A = 4; B = 2
HUM 115 is the preferred Humanities/Fine Arts elective for the program. Applicants with an "A" or "B" in the course will receive an additional ranking point	1

ADDITIONAL COURSES NOT REQUIRED FOR THE DEGREE	Points Awarded
BIO 168 and BIO 169 with grades of "B" or higher completed 2012 or later. Points for each course are averaged for final point score. *No points awarded if BIO 163 is completed with a "B" or higher.	A = 8; B = 4
CHM 131/131A (Introduction to Chemistry/Lab) or CHM 151 (General Chemistry I) with a "B" or higher (completed 2012 or later)	2

Notification Process

Final results will be sent electronically to the applicant's GTCC email address within 4 weeks after the application deadline – it is the applicant's responsibility to check this email account frequently to avoid missing important communications from GTCC.

- **Applicants offered a seat must accept or decline a program position by submitting an Intent to Enroll Form within 10 business days of the date on the acceptance letter.** Failure to respond within the stated timeframe will result in the position being offered to an alternate. Once a student declines a program position, the decision may not be reversed.

- **Applicants have 15 business days from the date on the notification letter to contest the results of the selection process.** The request for review of the results must be submitted in writing to the Dean of Health Sciences (Dr. Paulette Woods-Ramsey, pwoodsramsey@gtcc.edu). The Dean will render a decision within 10 business days of receipt of the written request. **The Dean's decision is final.**

PROGRAM ORIENTATION, ADVISING/REGISTRATION, AND ENROLLMENT

Once a position in a program of study is accepted, the student will then communicate with the Program Director regarding all matters related to program orientation, advising/registration, and enrollment.

The student is required to attend all program orientations, meetings, or other events scheduled prior to the start of classes. Failure to attend these meetings without prior approval from the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program. An alternate student will be selected to fill the vacant position, as directed by the Program Director.

The student must enroll in program classes prior to the first day of the semester. Failure to enroll without prior approval of the Program Director will result in removal from the health program and, if applicable to the program, ranking point deductions for future applications to the same program.

A student who enrolls in first-semester classes for the program and withdraws from the program or is dropped from the program that semester must complete the entire program admission process if he/she wishes to apply for a future program entry. If applicable to the program, ranking point deductions will apply for future applications to the same program.

The GTCC Health Sciences Limited Entry Process is not to be regarded as a contract between GTCC and students. GTCC reserves the right to change any provisions or requirements with adequate notice and minimum disruption to students.

Important Notes to Health Science Program Applicants

Program faculty reserve the right to revise or change course requirements in accordance with applicable state laws, college requirements, accreditation standards, and/or at the discretion of the faculty. By accepting admission into the program, the students agree to at all times abide by the program requirements and procedures as set forth in the Student Handbook and the respective course syllabus issued at the beginning of each term for each course. The student is bound by such requirements and procedures regardless of whether they were established before or after the date of enrollment in the program. Changes made after the publication of the Handbook will be posted as an addendum to the Handbook.

Most programs require students to have a criminal background check, a drug screen, and an OIG review (Office of Inspector General) upon admission. Healthcare agencies that are utilized for clinical and/or internship experiences require this evaluation. If a student is denied agency access due to a positive check or screening, the students may not be able to complete the clinical education experiences, which will result in the inability to continue in the health science program. Screening may also be required after graduation by examination boards, state licensing boards, and employing agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students must achieve a GPA of 2.0 or better in order to graduate. Students who receive a grade of "D" in a general education course (other than BIO or CHM) can graduate as long as their GPA is at least 2.0. However, a grade of "D" in a general education course will not transfer to another institution, nor will GTCC accept a grade of "D" for credit from another institution. Students must achieve a "C" or better in BIO, CHM, and program major courses. Students who do not achieve a "C" or better in these courses will be suspended from the program.

GTCC's Medical Assisting program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon recommendation of the Medical Assisting Education Review Board (MAERB)
