Samuel M Taylor Memorial Life Sciences Scholarship

The Samuel M. Taylor Memorial Life Sciences Scholarship was established in memory of Sam Taylor, a founder and president of NCLifeSci, the trade association for life science companies in North Carolina. Sam was passionate about North Carolina's life sciences industry and served at NCLifeSci's helm for more than 25 years. He was instrumental in the establishment of the NCBioImpact training program to support the growth of biopharma manufacturing in our state and ensure training opportunities for North Carolinians seeking a career in the industry. BioNetwork, the life science training initiative of the North Carolina Community College System, is a key member of the NCBioImpact collaborative. To learn more, visit:
